

# MOROCCO

YOUR NEXT DESTINATION

## EVERYTHING IN ONE PLACE

With numerous beach side towns, beautiful cities, rich cultural heritage, fishing forts, varied flora and fauna and abundant landscapes to explore, Morocco offers you with innumerable vacation memories. Whether you want to enjoy an marvellous honeymoon, take a break from your gruelling routine or just relax and explore the true Islamic heritage, Morocco will provide you with all

### **MIXED CULTURAL INFLUENCES FROM ARABS, BERBERS, AND OTHERS**

Morocco's population is made up of both Arabs and Berbers, with each group having contributed to the rich traditions and cultural practices that can be observed in the country today. You will also be able to spot influences from Andalusia, from the times when Andalusian Muslims moved to North Africa. There are also legacies from the colonial era, with French, Portuguese, and Spanish influences seen in different parts of the country. Especially interesting for a predominantly Islamic nation, there have also been influences from Jews in Morocco. Indeed, you'll find the only Jewish Museum in the entire Arab world in Casablanca.

## LANDSCAPE DIVERSITY

In Morocco you can go from the Mountains to the desert and from the snow to to ocean. Merzouga, Erg Chebbi, Chegaga, and Zagora are some of the best places to venture into the Moroccan Sahara. On the other side, Morocco's Atlas Mountains offers a variety of hiking experiences for people of all experience and skill levels. Mountains. Easily reached from Marrakesh, the soaring giant attracts many outdoor lovers all year round. The Rif Mountains, in the north of the country and close to the blue city of Chefchaouen, are also great for outdoor adventures. Hiking, mountain biking, and horse riding are among the attractions people can enjoy in Morocco.

## DELICIOUS CUISINE

Morocco is known for its tasty cuisine. Spices are found in abundance in a typical Moroccan kitchen, adding plenty of flavor to dishes. Ranging from meat which is a common ingredient in Moroccan dishes, with lamb, mutton, beef, chicken to seafood and fish are especially plentiful in coastal areas. Sardines are a particular favorite in Morocco. The most well-known Moroccan dishes include couscous and tagine. Pastilla, bissara, harira, and brochettes are other dishes to try. You'll also find numerous sandwiches and pizzas, as well as a wide array of Moroccan pastries.

## **TOLERANT SOCIETY WITH HOSPITABLE PEOPLE**

Morocco is known for being one of the most tolerant of the Arab nations. The country is on the top 10 list of safest places to visit. Peaceful, and stable. Moroccan people, both Arabic and Berber, are also noted for their warm hospitality and warm, friendly nature. Tourists are enchanted by Moroccan generosity and kindness. As a former French colony, French is widely spoken. In popular tourist areas, English is commonly spoken too. Communication is rarely a problem for visitors.
