

**AMANJENNA**

**Location:**

Amanjena is a mesmerising jewel in the heart of Morocco. Only ¼ hour from Marrakech's bustling Medina, 20 minutes from the international airport and ¾ hour drive from the awesome High Atlas mountain range

**Accommodation**

Amanjena's 32 sunset-red-coloured private pavilions are spacious and exquisitely designed; eight with private pools, all with multi-faceted high domes with dimmer switches to highlight or lowlight the occasion and wood-burning sunken fires appealing to primal desires. The terraces have pillared gazebos with cushioned seating areas and candle lanterns creating a secluded area to chill or dine, from sunrise to sunrise.

**Restaurant:**

Open only for dinner, the Restaurant offers innovative approaches to the local cuisine as well as Continental dishes. Banquettes and tables dressed in white cloth, pink rose petals and *thuja*-wood settings hug the walls. During the summer months, dinner seating is moved outdoors. The Thai Restaurant, alongside the swimming pool, is open for breakfast, lunch and dinner. Authentic Thai cuisine is featured for lunch and dinner. The Pool Terrace is open for breakfast and lunch, and overlooks the pool and the adjacent golf course. Guests can enjoy private dining in their Pavilion or Maison. Special dinners or buffets to celebrate a unique occasion can be arranged.

**Health and beauty centre & SPA**

The *hammam* or steam bath is central to Moroccan life. Unsurprisingly, it has pride of place at the heart of the Amanjena Health and Beauty Centre. Each *hammam* (one each for men and women) is complemented by showers, washrooms, a change area and glassed-in whirlpool.

After a traditional Moroccan *gommage* (scrub), enjoy a massage in one of the treatment rooms or a manicure, pedicure and facial at the beauty centre. The Centre also features a timber-floor gym.

**Tennis**

Two clay tennis courts, floodlit for night play, are available with complimentary rackets and balls. The tennis grounds include a central arched pavilion with *minzahs* for drinks and rest breaks.
